OVERVIEW OF PRACTICES

Introduction

The Tzu-Chi Buddhist Merit Association was established in 1966. The four major missions of the society are Charity Programs, Medical Treatment, Education and Cultural Activities.

Activity

- Creating public awareness on recycling

This association is actively involved in creating awareness among Malaysians on the benefits of recycling. They are currently collecting recyclable materials from various residential areas of Kuala Lumpur and Petaling Jaya on 3rd Sunday of every month. The proceeds from the collection are then channeled to other worthy causes.
